Thank you for your request for further information concerning the above post. You will find some information through the website and our online prospectus but please do not hesitate to get in touch with the school if there is any further information which you require to assist you in making an application. King Edward VI School is a thriving, successful, highly respected and over-subscribed 11-18 school which serves the south-eastern part of the city of Lichfield and a number of surrounding villages. We are immensely proud of our traditions which go back a long way, but equally proud of our forward-looking and innovative team of staff who work very hard to keep us at the forefront of educational developments. We aim to provide an all-round education of the highest quality for our students and work hard to strengthen links with the families who entrust their children to us.

We are keen to appoint hard-working, committed and enthusiastic staff who share our values and are prepared to work as members of a team to help move our school forward into the next stages of its development. If you feel that this is the school that you would like to work in then please complete the application form and recruitment monitoring form in full, sign them and send them back to us, preferably by email. It would be helpful if you could include with your application a covering letter giving information on:

- why you are particularly interested in the post;
- what particular strengths and qualities you feel you could bring to the school;
- the contribution and ideas you would feel confident in making to the development of your department and the wider school.

Thank you for your interest.

We look forward to hearing from you.

Yours sincerely
