

6 SUMMER Challenges

from Year 6
to Year 7

The 676 challenge is designed exclusively for Year 6 students in Lichfield.

With only 6 weeks of holidays before you become fully fledged Year 7s, this is your chance to show your new school that you are a serious contender when it comes to being the best at getting involved and generally being a complete star. It will also show that you haven't stopped improving your literacy over the summer.

Simply complete the 6 challenges - maybe do one per week? - and get an adult to sign off what you have achieved. Then bring your completed booklet to your School Librarian in September - and you will receive loads of rewards to get your new term off to a great start.
