

Language learning magazines for students to boost skills and grades

Dear Parents,

At King Edward VI School, we always find that students learning languages engage more and perform more strongly in exams when they study topics they enjoy.

We are therefore happy to give you the chance to order Mary Glasgow Magazines which are created especially for students learning French and German.

The colourful magazines provide an excellent source of reading material and are packed with great vocabulary, comprehension and grammar tips, engaging teenagers at the exact level of the language they are learning, with topics which interest them and which we are studying in school eg. friends, technology, school life, culture, sport, music, the environment and much more.

An annual subscription to Mary Glasgow Magazines costs just £9.50 and includes five printed issues (delivered to the school throughout the year) plus unlimited access to video, audio and online activities for further practice across the language skills.

We recommend the following magazines for your child:

- **French: Y7** Allonsy-y; **Y8 + Y9** Bonjour; **Y10 + Y11** Ça Va; **Y12 + Y13** Chez Nous
- **German: Y7 + Y8** Das Rad; **Y9, Y10, Y11** Schuss; there is currently no magazine for Y12 / Y13

If you wish to place an order, please visit www.maryglasgowplus.com/orders. Search for our school and then the group order name: **KES Lichfield** and you will be able to browse magazines and pay online for your subscriptions. For information, the school does not benefit from any orders financially or otherwise.

Please note that the closing date for ordering is **Sunday 13th October 2019**. The magazines will then be with us just before October half term. Students can see examples of the magazines if they ask their MFL teacher.

Thank you for your continued support.

Yours faithfully,

Mrs J Briden
