Book of the week

The Bone Sparrow by Zana Fraillon

Subhi is a refugee, born in an Australian immigration detention centre after his mother fled the violence of a distant homeland, life behind the fences is all he has ever known. This is his story, this is the story of millions….

"Soon, Subhi, the people out there will remember us. Soon they'll see that living in here isn't living at all. We just need to show them who we are, that we're people, and then they'll remember. This time, they won't forget."

Shortlisted for the Guardian Children's Fiction prize and nominated for the CILIP Carnegie Medal in 2016.

Eligible for nomination for the Staffordshire Young Teen Fiction Award.

Biology Clinic – GCSE students

Don't forget that Biology Clinic takes place in H3 every Tuesday lunchtime in H3.

Signing in

If you arrive in school late for any reason then you must come to Bader reception to sign in. You should also have a note in your planner explaining why you are late.
