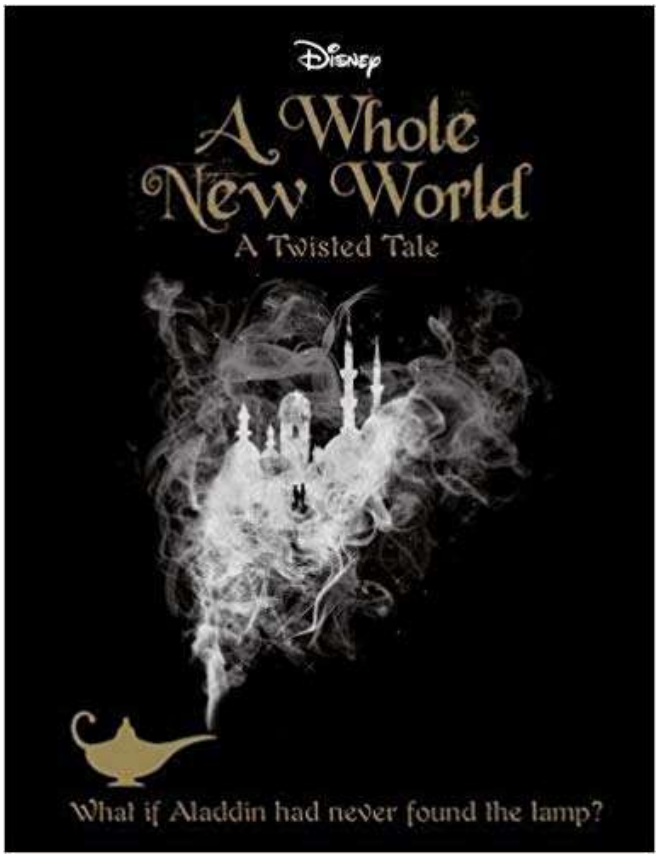
BOOK OF THE WEEK

A Whole New World- A Twisted Tale by Liz Braswell

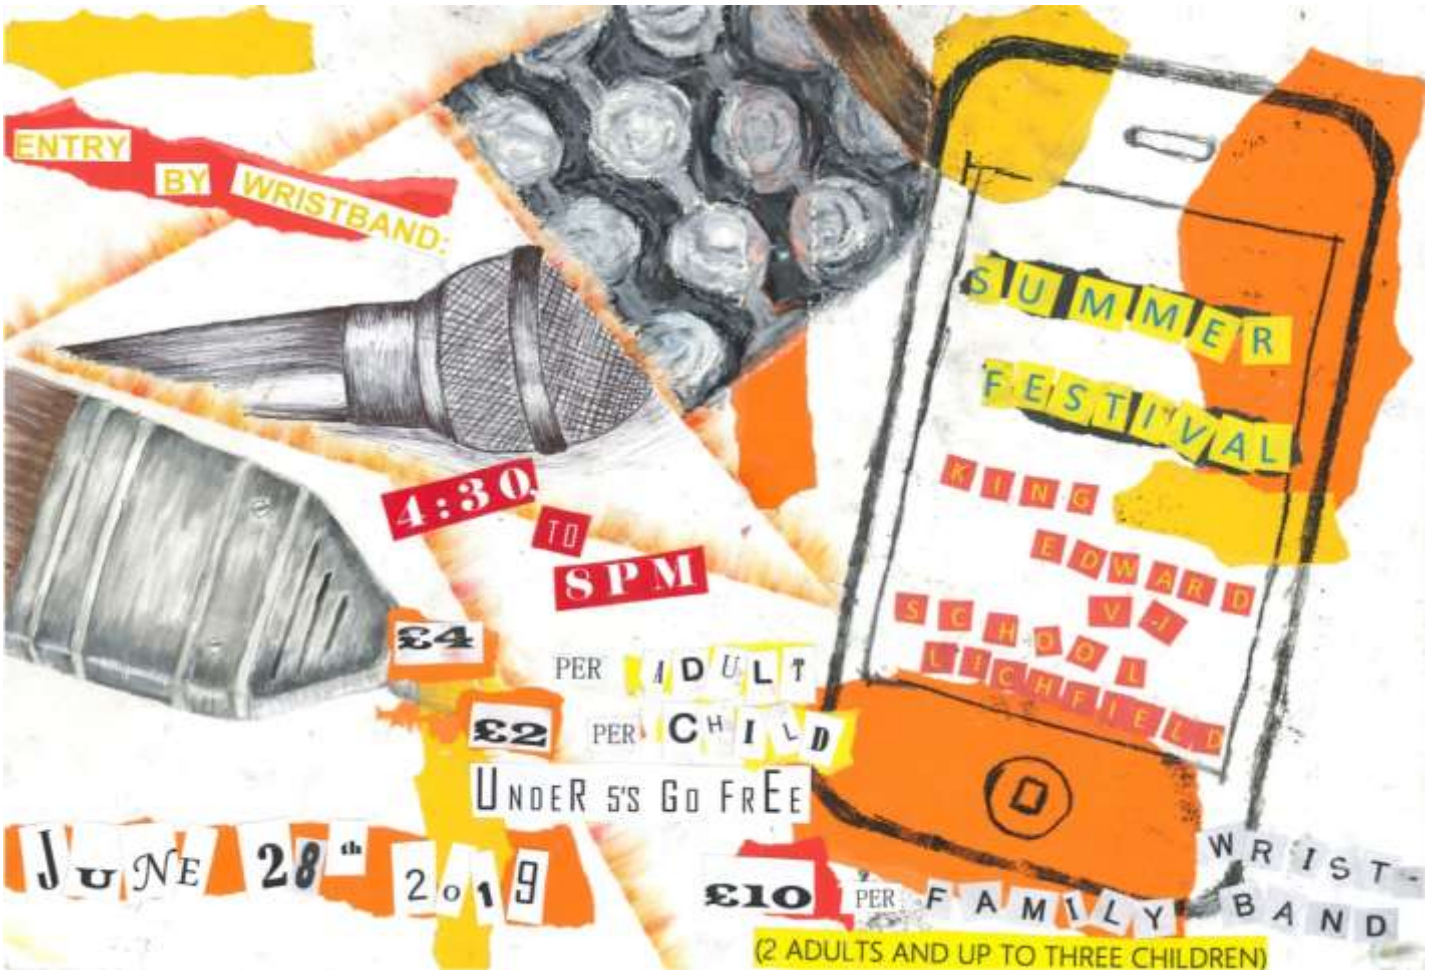


Welcome to a new YA series that reimagines classic Disney stories in surprising new ways. Each book asks the question: What if one key moment from a familiar Disney film was changed? This dark and daring version of *Aladdin* twists the original story with the question: What if Jafar was the first one to summon the Genie?

When Jafar steals the Genie's lamp, he uses his first two wishes to become sultan and the most powerful sorcerer in the world. Agrabah lives in fear, waiting for his third and final wish. In order to stop the power-mad ruler, Aladdin and the deposed Princess Jasmine must unite the people of Agrabah in rebellion. But soon their fight for freedom threatens to tear the kingdom apart in a costly civil war.

What happens next? A Street Rat becomes a leader. A princess becomes a revolutionary and readers will never look at the story of *Aladdin* in the same way again.

PTA



Congratulations to Eve Shaw 9C2, who has designed the poster for this year's Summer Festival.

The Summer Festival is an opportunity to celebrate the creative talents of our students in a showcase of dance, drama, music, cheerleading, art and literature. The event will begin at 4.00pm and will last until 8.00pm. Entrance to the festival will be with a wristband, which can be purchased on the gate by entering the school by Bader tennis courts or by the zebra crossing to the Johnson end of school. In addition, there will be a trail of students writing and displays of student's artwork. The PTA will be drawing their summer raffle and will also be running a BBQ for the evening.

Raffle tickets have been distributed to all students this week for our Summer Festival
