Dear Parent/Guardian

### Re: A-level Science Revision Guides

You may be thinking about purchasing revision guides to assist your son/daughter to prepare for the exams towards the end of Year 13. We have found the CGP Revision Guides and Exam question workbook very useful in the past and are ordering them at a reduced price for our students to buy if they wish.

The Revision Guide contains colourful notes on each topic along with a few practice questions. The Workbook contains purely practice questions. There is also the option to purchase revision flashcards, which are very beneficial for retrieval of knowledge.

If you wish to purchase any of these books please access your ParentPay account using your individual username and make the necessary payment(s). If there are any issues regarding either access or a payment, please do not hesitate to contact the Finance Department for guidance.

Please can you make your payment by November 1<sup>st</sup>, and the books will be ready to collect by the end of November.

New Complete Revision and Exam Practice A-level Biology with flash cards	£20
New Complete Revision and Exam Practice A-level Chemistry with flash cards	£20
New Complete Revision and Exam Practice A-level Physics with flash cards	£20

Thank you for your support.

Kind regards

Dr V Lee  
Head of Science
