26 June 2017

Dear Parents

Physics Visit to CERN, Geneva

It is just over 3 months until our visit to CERN and time to make the final payment, please can you pay the final instalment of £165 on parent pay by 10 July 2017. It is also time to start thinking about the detailed arrangements for the visit. The final details will be shared at a meeting for students and parents on Monday 18 September at 6pm.

We will be leaving from school by coach at 6am on Monday 2 October and returning around 6pm on Wednesday 4 October. Our flights are from Manchester to Geneva with Easy Jet and each student should bring a piece of cabin baggage for their luggage. Please follow the airline guidance about size and contents of cabin baggage. If students' luggage does not meet EasyJet's requirements, students will be expected to pay excess luggage fees.

The currency in Geneva is Swiss francs and students need to bring money to buy their own lunches and any other drinks, snacks or souvenirs they would like. We know Switzerland can be expensive so I would suggest allowing CHF 15-20 for lunch; a total of CHF 100 for the visit should be plenty.

We will give out medical forms in September but if your child has a medical condition which requires particular care, please contact me to discuss this before the end of term.

I will need passport details for the issue of boarding passes before we are back at school for the autumn term. Please can you ask your son/daughter to bring their passport in to Mrs Jetson at Bader reception by 10 July so that she can record the necessary details. We won't be keeping the passports because you may need them over the summer.

If you have any questions, please do not hesitate to contact me; email is usually easiest in the first instance. I hope the students are looking forward to the visit as much as Mr Clarke and I.

Yours faithfully

Jenny Bryant (Mrs)
