8th February 2022

Dear Parents and Carers,

As part of the drive to tackle plastic waste and increase sustainability in school, we are looking at ways to remove all plastic cutlery and disposable foam meal trays from our dining rooms. We will be moving to use biodegradable meal trays from March 1st.

There is an additional cost to these trays, we will therefore be charging 25 pence to cover this cost. The charge does not apply to the cardboard trays or pots which are also used in our dining rooms.

Students are able to sit inside to eat a main meal using a plate and cutlery, there will be no charge if students choose to do this.

Many thanks for your support.

Kind regards,

Catharine Forster
