Dear Parent/Guardian

Re: GCSE Combined Science Revision Guides

You may be thinking about purchasing revision guides to assist your son/daughter to prepare for the exams towards the end of Year 11. We have found the CGP Revision Guides very useful in the past and are ordering them at a reduced price for our students to buy if they wish.

The Revision Guide contains colourful notes on each topic along with practice questions, and access to online video's and quizzes. There is also an opportunity to purchase if you so wish pre-made revision flash cards as well.

If you wish to purchase any of these resources please access your ParentPay account using your individual username and make the necessary payment(s). If there are any issues regarding either access or a payment, please do not hesitate to contact the Finance Department for guidance.

Please can make your payment by November 1st, and the books will be ready to collect within two weeks.

Combined Revision Guide Foundation	£11.00
Combined Revision Guide Higher	£11.00
Flash cards Combined Science	£8.00

Thank you for your support.

Kind Regards

Dr V Lee
Head of Science
