Headteacher: Ms J Rutherford BA (Hons)

22 September 2021

Dear Parents and Carers,

Johnson Electronic Gate Fobs

As a new security measure we have installed electronic pedestrian gates at the front of the school on Upper St John Street. These gates will be open in the morning until 9.00am and open again at 3.00pm. During school hours, these gates will remain closed at all times.

We have available for our Sixth Form students, a fob for access through the gates should they wish to leave the premises for independent study periods, leave of absence or any other reason.

We will levy a charge of £3.00 per fob which will be refundable on return of the fob when it is no longer needed.

The payment method is via Parent Pay and is available on line now. When the fob is paid for, it can be collected from Mrs Gillson's office in the Sixth Form Block approximately 2 days after purchase.

Yours faithfully

Mr D Butler

Head of VI Form
