Dear Parents and Carers,

You will be aware that, as a part of your child's educational experience at King Edward VI, we aim to promote personal wellbeing and development through a comprehensive taught programme of Personal, Social, Health and Economic (PSHE) education that gives young people the knowledge, understanding, attitudes and practical skills to live healthy, safe, productive and fulfilled lives, both now and in the future. I am writing to let you know that, over the next half term your child's class will be taking part in lessons which will focus on Relationships and Sex Education (RSE).

Lessons will include students learning about:

Consent, Sexual violence, Sex and the Law (including forced marriage and FGM)

This is part of our school's PSHE education programme which is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body.

All teaching in PSHE will take place in a safe learning environment and be underpinned by our school ethos and values. A variety of opportunities will be provided for students to ask questions in order to prepare them for relationships in the modern world.

As a school community, we are committed to working in partnership with parents. As some of this content is part of the Sex Education Strand you may in discussion with your child withdraw them, to make a request to do this please contact me in the first instance hweaver@keslichfield.org.uk

Yours sincerely,

Hannah Weaver
RSE Lead Teacher
