Dear Parent/Guardian

On Friday 22nd June we are having a Summer Festival from 4.30-8.00pm. Your son/daughter has expressed an interest in supporting this event and working with departments to showcase Art, Drama, Literature and Music activities and performances. We would like your permission for them to take part in performances and/or workshops at the Festival. The departments will give more specific guidance on whether they would like them to attend for the whole or part of the event. The Festival will be based in and around the Bader building at the upper end of the school site.

Entrance to the festival will be by wristband, so it is essential that your son/daughter enters by the rear door to Bader gym and changing rooms so they can sign in and be given a volunteer wristband. Students will be able to either stay on after the end of the school day or go home and return for the time given by departments. We recommend that students either bring sandwiches/snacks with them or some money to buy refreshments during the evening; there will be a barbecue as well as drinks, cakes and ice creams etc. on sale. Students need to wear their school polo shirts so that visitors are able to recognise them as participants in the event. We hope that many performances (weather permitting) will take place outside so a blazer, jacket or sun cream may be required.

Students should also sign out by the rear door to Bader when they leave. If you are arranging to meet your son/daughter then please make clear arrangements about where to meet as it will be a very busy evening. You are most welcome to come and join the festival; the initial flyer is available on our website for your information and a more detailed programme will be available at the event.

Thank you for your support.

Yours faithfully,

Ian Jamieson
Head of Music
