Important notes:

Students can leave early after an afternoon exam with a running time of 1 hour 30 minutes or more

All exams will take place in the Sports Hall apart from Art, Performing Art, Health and Social Care, Music and Media Studies

Rooms for these subjects are shown above

French/German Listening will be in Bader Hall or upstairs in the Sports Centre depending if you are doing Higher or Foundation

Rooms for French/German Listening will be announced nearer the time

Some students will take exams in a smaller room or word processing room in the Sports Centre (they will be informed directly)

The time on this sheet is the time you need to be there for (you can still use school transport). Don't be late.

If you find any clashes (2 exams running at the same time) you should have been given an adjusted timetable

Rules and regulations can be found on the school website (School Life / Examinations)
