Extra-Curricular Activities at KES

At King Edward VI School, Lichfield, we believe that learning goes far beyond the classroom. Our vibrant extra-curricular programme plays a vital role in helping students develop new skills, build confidence, and discover new interests.

We offer a wide range of activities at both lunchtimes and after school. There really is something for everyone. From sport, music and drama to academic enrichment, creative clubs and wellbeing activities, our clubs provide opportunities for students to try something new or further develop an existing passion.

We have put together an Extra-Curricular document to showcase all the opportunities that are currently available for you to take part in. If you need to know any more information, then please contact the member of staff listed by the activity. We encourage all students to get involved, make new friends, and make the most of everything our school community has to offer.

Dance, Rugby and Art Clubs

“An impressive range of clubs and opportunities inspire pupils to develop their own interests and hobbies, including: music, sport, debate, coding and film.”
