Post results services

Post results services such as a review of marking, clerical check or access to scripts should be requested through the Exams Office using [this link](#) or by completing and returning one of the printable forms at the end of this document. The relevant form must also be submitted to the Exams Office before any service can be requested. Forms **must** be completed by the student. Requests from anyone other than the student will not be processed.

Services must be paid for in advance with correct cash or cheque payable to **Staffordshire County Council**. Payment may be handed in on results days or on our return to school in September. Fees are shown in the table below. Please note that if a **grade** goes up following a review of marking, the payment will be returned or cheque destroyed.

If you are not able to come into school, you can follow [this link](#) for information regarding post results services. **Please note that we will not be in school after 2:00pm on GCSE results day until school reopens in September. We will not respond to emails sent after this time until Monday 1 September.**

The Exams Office (in the Sports Centre) is available for the return of **priority** post results request forms and payment as follows:

Thursday 13 August until 2:00pm, Friday 14 August 9:00am-12 noon, Wednesday 18 August 11:00am-1:00pm. Priority requests are only available for A Levels and Level 3 qualifications where a university place is at stake.

If you cannot come into school on results day

You can ask to receive your results in a different way in advance. **These requests must be made by the student only.**

If you do not have access to the Education Records App or need access to your results earlier than 11am on the day then you can name someone else to collect your results for you (ID must be shown by collector). Students should make requests giving their permission for another named individual to collect their results in one of the following ways:

- Email examsinfo@keslichfield.org.uk from your school student email account **by Thursday 16 July**. (If unforeseen circumstances mean you cannot attend in person as expected, you can email up the day before results day). Requests made from email accounts other than the student's own school account must include a scan or photo of a letter written and signed by the student stating their required alternative arrangements.
- Bring a letter which has been written and signed by the student into Main Reception in the Sports Centre by Thursday 16 July. It must be marked for the attention of Mrs L Collyer, Exams Officer. (The person collecting the results can also bring the letter with them on the day if unforeseen circumstances mean you cannot attend in person as expected)

If there is absolutely no alternative method for receiving results, as a last resort they can be sent by email. This must be requested by the student from their school email account or an email account which has been notified to us. Requests made from email accounts other than the student's own school account must include a scan or photo of a letter written and signed by the student stating their required alternative arrangements. Students must give permission for results to be emailed to any address other than their own school account. Please note that emailed results will be sent out after students attending in person have collected their slips in the Sports Hall. This may not be until later in the day. If you need results earlier in the day, please arrange for someone to collect them in person.

Please note that students who are leaving school this summer will only have access to their school email accounts up to 31 July 2026. If students have an alternative email address they wish us to use then they will need to notify the Exams Team of this **by Thursday 16 July**.

Clerical re-checks, reviews of marking and appeals

Candidate consent form

Information for candidates

The following information explains what may happen following a clerical re-check, a review of marking and any subsequent appeal.

If your school or college submits a request for a clerical re-check or a review of the original marking, and then a subsequent appeal, for one of your examinations after your subject grade has been issued, there are three possible outcomes:

- Your original mark is lowered, so your final grade may be lower than the original grade you received.
- Your original mark is confirmed as correct, so there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.

To proceed with the clerical re-check or review of marking, you **must** sign the form below. This tells the head of your school or college that you have understood what the outcome might be, and that you give your consent to the clerical re-check or review of marking being submitted.
