## Introduction

It is the responsibility of the head of centre to ensure that King Edward VI School Lichfield has a written conflicts of interest policy in place available for inspection. This policy confirms that King Edward VI School Lichfield:

Manages conflicts of interest by informing the awarding bodies, before the published deadline for entries for each examination series, of:

- any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units

- maintains internal records of all instances where:

  - centre staff are taking qualifications at their own centre which do not include internally assessed components/units
  - centre staff are taking qualifications at other centres

## Purpose of the policy

The purpose of this policy is to confirm how King Edward VI manages conflicts of interest under normal delivery arrangements in accordance with the regulations.

## General principles

A process is in place to collect any declaration of interest from all centre staff to identify and manage any potential conflicts of interest.

## Declaration process

Declarations of interest are requested by email in September of each academic year from all centre staff. Declarations of interest must be sent to the exams officer by the end of October.

## Managing conflicts of interest

Details of conflicts of interest declared are held on file by the exams officer. The relevant awarding body/bodies is/are informed (where required by the nature of the conflict) of specific conflicts of interest/centre staff declarations before the published deadline for entries for each examination series by identifying and following the individual awarding body's administrative process. The agreed measures/protocols taken/put in place to mitigate any potential risk to the integrity of the qualifications affected are recorded on the log and the affected member of staff informed of these measures/protocols.
