

KING EDWARD VI
SCHOOL LICHFIELD

Transition Tasks

'All about me'

An important part of transitioning from Primary to Secondary school is getting to know your tutor and tutor group. Your tutors at King Edward VI School are excited to meet you in September and they want to know everything about you. During tutor time and PSHE lessons, the first half term is all about getting to know each other.

Your task is to produce an A4 piece of work (no more) under the title '**All About Me**'.

It must be handwritten to showcase your literacy and handwriting skills but you can draw and include photos if you wish. Some ideas of what you might include are:

- **Who are you and what is your family like?**
- **What do you like to do outside of school? What are your hobbies?**
- **What do you want to achieve in the future?**
- **Where in the world would you like to visit?**
- **Who inspires you?**
- **What is your proudest achievement from primary school?**
- **What are you looking forward to doing the most at your new secondary school?**

Handing in: Please complete this at home and bring the task with you on your first INDUCTION DAY visit to us, which are Tuesday 24 June and Wednesday 25 June 2025. *Please ensure you name your work (forename and surname) along with the name of the primary school you attend, on the front top right hand corner of your piece of work.*

We appreciate the time and effort this will have taken and we look forward to reading them all.

'Summer Reading Challenge'

On the website, you will see the summer reading challenge set by our librarian. This is **not compulsory**; and any of these tasks can be adapted for completion at home. We just want our new Year 7 to enjoy their reading.

Handing in: If you would like to do this task then please bring it in with you on your admission day Wednesday 3 September 2025 and give to the Library Resource Centre.
